

EXPERIENCE THE ECONOMY OF QUALITY

BIG KAISER

WHO WE ARE

Founded in 1948, BIG KAISER designs, manufactures and markets premium high-precision tooling systems and solutions for the automotive, military, aerospace, energy, and micro-technology industries. The global company has facilities in Switzerland, Germany and the USA. Our product portfolio is comprised of more than 20,000 precision tools, which adhere to the highest quality standards. A trendsetter in precision, performance, innovation and service, BIG KAISER is proud of its in-house production of digital displays and direct electronic measuring systems for digital precision boring heads to ensure absolute setting accuracy and eliminate operating errors. BIG KAISER is part of the family-owned BIG Daishowa Group with 900 employees worldwide.

A DIFFERENT KIND OF TOOLING PARTNER

Our mission is to find the best of the best and deliver it to our customers with a personal commitment to helping them install truly efficient solutions. We have exceptionally high standards for the products we represent. The result is an all-star line-up of products that deliver true and measurable performance advantages. Products that are engineered to exacting standards and then manufactured with materials and craftsmanship that enable superior performance.
